They Take Three Straight in Tournament for Metropolitan Championship on New York FIRST Alleys-Other Games.

The New Jersey five won three straight games from the Logans, of Brooklyn, in the Metropolitan championship tourrey at the New York alleys last night. The games were devoid of all interest, the Jersey cracks winning the series as they pleased, outbowling the

Logans at all stages.

The first game was won by the Jerseys by the score of 912 to 813. This easy victory was duplicated in the other two games, which they won with over a hundred pins to spare. While several of the Jerseys went over the double century mark, there were no real high scores, the top tally being 208, and rolled by F. Engelhoff, of the Logans, he being the only member of his team to pass the double
